Appel vs. Roth — *Cats and Dogs*

Take in this playful lithographic exhibition on cats and dogs by Dutch artist **Karel Appel** (1921-2006) and German-born artist **Dieter Roth** (1930-1998). Appel's colorful and expressionistic feline renderings from his Cats portfolio contrast with Roth's frenetic and mostly monochromatic canines from his 2 Times 5 Dogs portfolio. Exhibit runs online at **Nasher Museum of Art at Duke University**; nasher.duke.edu/exhibitions/cats-and-dogs/

Karel Appel, *Sunshine Cat*, from the portfolio *Cats*, 1978. Lithograph on paper, edition 95/125, 22 1/4 x 30 inches (56.5 x 76.2 cm).
